

ACOLOR

Colorante organico per pitture ad acqua.

CARATTERISTICHE

Coloranti organici dispersi in acqua, senza legante e di facile impiego. Esenti da nonilfenoli e da altre sostanze pericolose per l'ambiente e per la salute. Contenendo piccolissime quantità di sostanze organiche volatili possono considerarsi a $VOC \approx 0$.

Grazie alle loro innovative caratteristiche formulative sono in grado di garantire la totale compatibilità con tutte le idropitture laddove sia necessario l'uso di un colorante concentrato idrodisperso.

Disponibile in 16 colori:

- | | |
|-------------------|--------------------|
| 1 - giallo oro | 10 - verde caldo |
| 2 - rosso | 12 - ombra |
| 3 - blu | 13 - giallo sole |

CICLO APPLICATIVO

Versare il colorante nella pittura non diluita e mescolare accuratamente.

AVVERTENZE

In relazione alla natura chimica dei pigmenti è sconsigliato l'uso in prodotti da applicare all'esterno. Conservare in ambiente fresco, lontano da fonti di calore ed in flacone ben chiuso. Agitare bene prima dell'uso.

ACOLOR

Organic colourant for water-based paints.

CHARACTERISTICS

Easy-to-use organic colourants dispersed in water, with no binder. Free from nonyl phenols and other substances that are hazardous for health and the environment. With an extremely low content of volatile organic compounds, they qualify as being $VOC \approx 0$. The innovative properties of their formula mean full compatibility is guaranteed with all emulsion paints calling for the use of a concentrated water-based colourant.

Available in a choice of 16 colours:

- | | |
|-------------------|--------------------|
| 1 - giallo oro | 10 - verde caldo |
| 2 - rosso | 12 - ombra |
| 3 - blu | 13 - giallo sole |
| 4 - nero | 17 - verde mela |
| 5 - giallo dorato | 18 - corallo |
| 6 - verde freddo | 19 - viola |
| 7 - arancio | 20 - magenta |
| 9 - giallo limone | 21 - blu oltremare |

APPLICATION

Pour the colourant into the paint without thinning, and mix thoroughly.

PRECAUTIONS

Given the chemical nature of the pigments, they are not recommended for use in products due to be applied outdoors. Keep in a cool place away from heat sources in a tightly sealed bottle. Shake well before use.

ACOLOR

Organischer Toner für Anstriche auf Wasserbasis.

EIGENSCHAFTEN

In Wasser gelöste organische Toner, ohne Bindemittel und einfach zu verarbeiten. Frei von Nonilphenolen und sonstigen umwelt- und gesundheitsschädlichen Substanzen. Enthalten sehr kleine Mengen von flüchtigen organischen Substanzen, die als $VOC \approx 0$ angesehen werden können.
